SUPERIOR INDUSTRIES ANNOUNCES FRANKLIN E. 'FRANK' SQUIRES PICKED AS PIT & QUARRY 2018 HALL OF FAME CLASS!

Pit & Quarry is proud to announce the 2018 class of the Pit & Quarry Hall of Fame. The new inductees will join 24 inductees who are already enshrined in the Pit & Quarry Hall of Fame. Like their Hall of Fame predecessors, the 2018 class will be represented in the National Mining Hall of Fame & Museum in Leadville, Colorado. They will be honored in Houston at a black-tie dinner and induction ceremony, Tuesday, March 6, 2018.

Following is detail about Frank Squires:

Frank Squires is a leading expert worldwide in the field of washing and classifying technologies for almost 60 years in the aggregate industry service. He is accredited with five patents as a co-inventor of next-level control systems for single and multiple classifying tank systems. Over a 20-year period, he was a key player in the success of GreyStone, where he was the VP of Sales/Dealer Relations until 2014. Squires currently serves as Aggregate Specialist for the Washing & Classifying Division of Superior Industries. He is known as the "go-to-guy" for the toughest washing and classifying applications.
