ASGCO® NEW PRODUCT—ROTARY BRUSH CLEANER!

ASGCO “Complete Conveyor Solutions” is proud to announce the introduction of a new model to their industry line of secondary belt cleaners. The Rotary Brush Cleaner secondary belt cleaner uses the speed and force of the belt rolling over hundreds of SBR fingertips, to provide effective cleaning on material that clings to cleaned belts. Our Rotary Brush Cleaners are designed for difficult applications, fines and fibers, including wood dust, cement dust, sugar and fertilizer. www.asgco.com

INDUSTRIAL KINETICS, INC. CELEBRATES 50 YEAR ANNIVERSARY!

INDUSTRIAL KINETICS, INC., manufacturer of conveying systems for manufacturing, steel mills, and commercial distribution, is celebrating 50 years of providing engineered conveying solutions that meet or exceed technical specifications and expectations of their customers. Incorporated in January 20, 1969, IKI was started by George Huber, Jr. and his wife Marianne. “I was an entrepreneur before it was considered cool”, remarks George, Jr. During the early years, George would spend the day selling conveying systems during the day, often returning to the shop after dinner to finish assembling conveying systems.....[Click here to read more](#)
