LENZE Presented at CFE Media’s Marketing Event to Engineers

Lenze Americas, joined DFE Media’s Annual marketing to Engineers® event on April 8 in Chicago, IL and their marketing team (Deb Kling and Nicole Rounds of Lenze Americas) presented a session titled “Implementing a Marketing Automation Platform—A Real World Example” where attendees heard about Lenze Americas’ journey in developing their objectives, handling their challenges, and measuring the success of their campaigns. “Engineers are a unique audience and, as a marketing professional, you have to know the best methods to use in order to reach them and get them to engage with your brand,” said Kling. If you would like to learn more about this marketing automation platform contact Deb Kling or Nicole Rounds. www.lenze.com
