

THE VOICE OF THE CONVEYOR INDUSTRY OF THE AMERICAS
CEMA MEMBERS IN THE NEWS

MAY 2020

**[SYNTRON MH—CONGRATULATES Guntown Middle School
1st win in MS Robotic Beta Jr. Competition!](#)**

Syntron Material Handling are proud sponsors of the *Guntown Middle School Beta Jr. Club Robotics Team* and would like to congratulate them for winning 1st place in the MS Robotic Beta Jr. Competition. They have now been invited to submit their video to compete in the USA Nationals. This past fall the team toured the SMH shop and after seeing the automated CNC shaft machine robot they decided on building an industrial style material handling robot. Check out this video to see the team's robot in action. <https://lnkd.in/dgaNB68>

**[MARTIN ENGINEERING—AUTOMATED MONITORING & REPORTING SYSTEM
for Conveyor Belt Cleaners](#)**

Martin Engineering announces a groundbreaking **Automated Monitoring & Reporting System** to monitor conveyor belt cleaners without having to physically visit them. The innovation also delivers real-time data via cell phone, improving both process efficiency and personnel safety. <http://www.martin-eng.com/>

[SUPERIOR INDUSTRIES—FUSION™ MODULAR PLATFORMS](#)

Superior Industries announces Pre-Engineering will be key to **Superior's new Modular Platform Systems**. This new series of modular plants for aggregate crushing, sorting, sizing and washing applications are pre-engineered, ready-to-build systems that still allow the customization to achieve the best performance at each jobsite. www.superior-ind.com

[ASGCO—COVID-19, Business Continuity Plan](#)

ASGCO's Business Continuity Plan has been implemented in response to the Coronavirus pandemic. This includes adapting our their workplace, as well as meeting and travel policies to protect our employees, customers and service providers.
